Subject: Protect Portland's industrial jobs

We need a river cleanup plan that supports our environment and our economy.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Thank you for allowing me to weigh in on this important process. Please make sure the cleanup is good for our environment and our economy.

Sincerely,
